

\$5 on the Fifth Sunday

January 29 please help them have a chance.

The need is great but the workers are few. Today, more children and families are in need than ever before and there is far less funding to help them. UMCH serves those families and children who would otherwise fall through the cracks. Help us keep that from happening. Your donations help these families and children who need you. In fact, one by one, you are changing lives – **helping Ohio's children through Ministry.**

Thanks to your financial gifts children and families become stronger through UMCH. God is doing amazing things through your dollars ... **providing homes** through Treatment Foster Care; **finding homes** through Adoption and **strengthening homes** through Family Mental Health Services. We help children who have been removed from their homes through no fault of their own and who need a loving foster family; and for those desperately waiting for their “forever” adoptive families. And, we provide treatment for those who are suffering from emotional, behavioral and mental health issues.

If EVERY member of EVERY United Methodist Church gave just \$5 or more today (less than the cost of a cup of coffee), it would provide holistic treatment and quality care for these children we serve who so desperately need it. We rely on your financial support to care for those we serve. For more information call Heather Kaufman at 614-885-5020 x 103 or HKaufman@UMCHohio.org. **THANK**
